

NOTES ON THE LEETE CHARITY

Applicants for funding from The Leete Charity are required under the terms of the Charity to be seeking further education and be under the age of 25. The applicant must also either reside in Royston or be attending a school in Royston.

The grants made are not large but would be suitable for help towards purchasing textbooks, travel, etc. An idea of cost of books, etc. would be useful.

It is suggested that as much information in respect of the background and finances of the applicant is given in order that the Trustees may make a speedy decision.
